Stark Mountain Foundation to Host the 6th Annual StorySki at Mad River Glen on February 24th, 2024

The Stark Mountain Foundation will be sponsoring the **6th Annual StorySki** on Stark Mountain at Mad River Glen on **Saturday, February 24, 2024, from 10:30 to 2:30**. A beloved tradition, the annual event allows Mad River Glen skiers to enjoy the printed pages from a children's book installed along the sides of a ski trail meandering through the woods.

This year, participants can ski, read, and enjoy the book, **Ten on the Sled**, by Kim Norman, illustrated by Liza Woodruff. This year's story captures the joy of a wintertime sled ride. A group of animal friends find they have ten different animals on their sled. As they slide down the mountain together, they go faster and faster. Come to this year's StorySki to discover what happens next in this snowy adventure. Children 12 and under receive a stuffed animal and hot chocolate while supplies last.

Pre-registration for the event is strongly encouraged. The event is free, but everyone will need a lift ticket to participate. Check-in begins at 10: 30 AM at the Kent Thomas Nature Center at the Snail and Slalom Hill junction. The StorySki panels will be placed at Mad River Glen the week before and after the event so skiers can enjoy the story even if they can't make it on the 24th.
